

## 2016 2017 PROVINCIAL ENRICHMENT SEMINARS (PEP)

The Provincial Enrichment Seminar is an opportunity for our youngest skaters to participate in group sessions with skaters from other clubs. The seminar will consist of 2 on ice and 1 off ice session conducted by Skate Canada Professional Coaches. The sessions will focus on skill development with a "FUN" and interactive approach.

These seminars encourage the development of our youngest skaters and give the Provincial organization an opportunity to see the up and coming ability of the skaters in our Province.
