

FUTURE STARS

★ Selection Camps ★

The **FUTURE STARS** program offered by Skate Canada NL is a skater development opportunity geared towards talent identification of skaters between 4-9 years of age. These seminars provide an opportunity to monitor development of our youngest skaters in each region while identifying future potential in our sport. Skaters selected from these seminars will be part of our FUTURE STARS team and be invited to provincial seminars and other activities hosted by Skate Canada Newfoundland & Labrador.

ON ICE Conductors

The Selection Camps will be led by World and Olympic Coach, Josee Picard along with our provincial coaches who have been specifically trained and selected. We will also have current provincial team members on ice for assistance and demonstration.
